

Erasmusplus Courses

In order to encourage the sharing of best practice and to make Erasmus+ training available to as many kinds of educational staff in schools as possible, Interprimair presents 21 educational trainings or courses carried out by European partners which are known personally to us.

The training is held in English, in various European towns and cities.

If you intend to include one of these courses in your application, please contact us for a Course Description, Dates and Fees and a Letter of Pre-Inscription.
